Report of Superannuate Committee

We, your Superannuate Committee, submit the following:

In the Conference Session of 1926 we find the first mention of the Provident Fund and it is the recommendation of this committee

that beginning with this session and subsequent sessions to 1940, all reference in the Minutes to a Provident or Superannuate Fund shall be annulled.

1. We recommend that the Superannuate Fund be continued and that 15 per cent of all Conference Funds be placed in the Superannuate Fund.

2. We recommend the election of a Treasurer of the Superannuate Fund who shall be, by virtue of his position, a member of the Conference Official Board.

3. The Superannuate Fund shall be for the exclusive use of disabled ministers and their families. All beneficiaries of this fund must have paid one-half of their tithes for the Conference of 1940 and shall pay on this basis for each year thereafter.

4. We further recommend that ministers giving their full time into the ministry shall have first consideration in the disbursement of the Superannuate Fund, provided further that ministers who do clerical or secular work and who pay one-half of all their tithes into the Conference Treasury shall receive the same consideration.

5. We also recommend that the Official Board of the Conference shall have authority to make distribution of the Superannuate Fund when, in its judgment, a worthy application is made.

6. It is the recommendation that $10.00 per month be paid Rev. A. H. Butler during the ensuing year for his faithful service to this church for more than thirty years, and $25.00 be paid to Rev. W. T. Merritt.

Report of Committee on Education

In recognition of the importance of enlightenment and information of our people to make progress in this day, we your Committee on Education submit the following:

1. As we realize the necessity of a more efficient ministry, we recommend that all our ministers, mission workers and Sunday School teachers observe a systematic and consecutive study of the Bible, using such material as meets the approval of our General Board of Education.

2. We further recommend that the pastors and deacons arrange a study of our discipline for their church or churches during the ensuing year.

3. We strongly recommend that our people spend some time daily in reading a portion of God's Word, especially urging this among all our ministry. We further urge the circulation of The Advocate, Youth's Leader, and such other literature as is in harmony with the doctrine of the Pentecostal Holiness Church. In this connection we would voice the need for maintaining in the homes of our members a family altar, stressing the importance of prayer, faith in God and obedience of children to their parents.

4. We endorse Emmanuel College and Emmanuel Academy as our own church schools and recommend that each local church send systematic support in quarterly offerings for the support and maintenance of this education enterprise. We also add our word of endorsement to Holmes Bible and Missionary Institute as an institution which has rendered immeasurably in service to the Pentecostal Holiness Church and urge such financial assistance to this school in any way we may be able to administer. We pledge our support and prayer for these schools, and shall work to assist in every possible manner to help Emmanuel College reach the rank of a fully accredited four-year Grade-A College.

Humbly submitted,
James W. Butler,
L. E. Peyton,
W. B. Godwin.

Report of Missions and Evangelism

In view of the fact that the preaching of the gospel to the whole world is the ultimate end of all the activities of the Church, we feel it most important that our Conference do something definite during the ensuing year toward the realization of same. Therefore,

we, your Committee on Missions and Evangelism, recommend the following:

1. That a Conference director of Missions be elected by this body, and we nominate Miss Mavis Lee Oakley for this office.

2. That this Conference Director appoint an assistant in each district.

3. That this missions director in cooperation with the Conference Superintendent, arrange a Missionary Convention during the coming year; time and place to be announced.

4. That twenty (20) per cent of offerings taken for by this director of missions, be given to the director for expenses. If this amount be found inadequate, that the director be allowed to work out the percentage necessary.

Remembering that the aim of the "Pentecostal Evangelistic Association" is, "A Pentecostal revival in every church and community," we recommend:

1. That our organized churches put on city- or community-wide evangelistic campaigns endeavoring to contact every person in the town or community.

2. That this elect a Conference Evangelistic Manager and that this manager appoint an assistant in each district. We nominate Rev. James F. Eppes for Conference Evangelistic Manager.

3. That this manager and his appointed assistants form a board of evangelism, and that this board be called together at an early date by Chairman (Conference Manager) to discuss plans for evangelizing new fields in each district.

4. To further evangelize throughout the conference, that the board of evangelism be granted the privilege of drawing upon the evangelistic fund as needed.

5. That remuneration be provided from evangelistic fund to supplement as needed the financing of these evangelistic campaigns.

Mavis Lee Oakley,
I. D. Dickens,
Wesley J. Noble.

Committee on Conference Entertainment

We, your Committee on Conference Entertainment, submit the following: We recommend:

1. That a Committee be elected to select a place for the next annual conference to be held. Also to investigate a permanent location for conference to be held when necessary.

2. That the conference treasury take care of the ministers when necessary.

3. That each church defray the expense of its delegate to and from the conference, and while there.

C. B. Strickland,
H. D. Marshburn,
O. T. Howard.

Committee on Orphanage Work

We, your Committee on Orphanage Work, wish to submit the following:

1. That since we as a church accept the fact that James tells us that, "Pure and undefiled religion before God, is to remember the widows and fatherless"; and since we have in the boundary of this conference the Falcon Orphanage as a Pentecostal Institute, we would insist that we give it our most sincere support by remembering the orphanage each month of the year with a free-will offering.

Respectfully submitted,

J. W. Berry,
H. W. Hampton,
D. F. Fulcher.

Report of Committee on Resolutions

We, your Committee on Resolutions, recommend the following:

1. That if a church served by a minister does not own a parsonage for the residence of the pastor, the local church or churches which he may serve shall pay his house rent, thereby more nearly equalizing our ministerial tithing system.

2. That each church, as soon as practicable, call its members together to formulate some plans whereby they may secure or build a parsonage.

3. That if any minister fails to preach the required 25 sermons per annum, without legitimate excuse, his, or her character will not be passed.

4. That the character of no minister of this conference be passed, neither will he be allowed to pastor a church or serve in any official capacity if he comes to the next annual conference of this body without having made satisfactory agreement with his creditors in regard to his financial obligations.

Respectfully submitted,

W. Harvey Morris,
James F. Eppes,
T. O. Todd.

Report of Committee on Finance

We, your Committee on Finance, submit the following:

1. That all lay members pay their full tithes into the treasury of the local church in which they hold their membership, said tithes to be disbursed by the official board of the local church, except as provided elsewhere in this report.

2. That no layman shall be eligible to hold official position in a local church who fails to comply with the aforesaid financial system.

3. That all ministers in the North Carolina Conference of the Pentecostal Holiness Church shall pay one-half of their ministerial tithes into the conference treasury, we insist that the said tithes be monthly; the other one-half into the treasury or treasuries of

the church or churches they serve, or into the treasury of the church in which they hold membership.

4. That no minister of the conference shall be eligible to official position or pastor any church who fails to comply fully with section three of this report.

5. That churches pay the pastor their regular salary on Sabbath of annual conference session.

6. That all loans be made directly from the superannuate fund in order that said fund may derive benefit of interest earnings.

7. That Conference Superintendent be paid $100.00 per month and $300.00 per year for traveling expenses; with the understanding that he devote his full time to said duties.

8. That each local church shall have one central treasury, and that 5 per cent of all receipts shall be paid monthly from this treasury into the conference treasury. However, funds raised for the local church improvements and building purposes shall be exempt from the five per cent appropriations.

9. That the Superintendent at an early date visit our small churches for the purpose of creating better support for the pastor.

10. The following appropriations at this session of conference:

(1) Bishop J. H. King for this session of conference the sum of $125.00 and $25.00 per quarter during the ensuing year.

(2) Emmanuel College, Franklin Springs, Ga., $25.00.

(3) Holmes Bible and Missionary Institute, Greenville, S. C., $25.00.

(4) Falcon Orphanage, Falcon, N. C., $25.00.

(5) To Conference Secretary the sum of $10.00 at sitting of conference and $5.00 per quarter during the next conference year. To Conference Treasurer the sum of $10.00 at sitting of conference and $25.00 per quarter during the next conference year.

(6) That 10 per cent of the conference fund be paid into the evangelistic fund.

(7) Approve such sum as shall be required to pay for printing of 1940 Conference Minutes.

S. A. Fann,
T. M. Bizzell,
Hubert A. Morris.

Report of Committee on Sunday Schools and P. Y. P. Societies

Recognizing that our Sunday Schools and Pentecostal Young People's Societies offer to us the most promising field for successful evangelical activities, both in the perpetuation and maintenance of fruitful and spiritual organizations, and that our fine young people deserve the very best that we can possibly provide for them, and challenge our wisest supervision and most loyal co-operation in their organized activities, we recommend:

1st. That the two organizations, though existing as two separate units, but being made up largely of the same individual members, be united in a general way under one supervision and directorship.

2nd. That such supervision and directed order should be obtained through a Board elected at each Annual Conference as an advisory Council, and a Director of Youth, elected in the same manner, to devote his full time to the work of these two most important of our Conference organizations, and as an Evangelist amongst them. (However, it is understood that it will require at least one year to develop the plan and provide for the financing of full time service for the Director of Youth, and this is contemplated by your Committee.)

3rd. That the Director of Youth, with such representatives from the Sunday Schools and Young People's Societies as may be decided upon, shall have a place in, and report their activities to the Quarterly Conferences of their respective Districts, both for the purpose of keeping the Conference informed concerning their work, and for such counsel as may develop their work to its highest efficiency and success.

4th. That a financial system be worked out within the two organizations that will make their work largely self-supporting, both as to operating expenses and the contemplated full-time service of the Director of Youth.

Respectfully submitted,

Ethel Strickland,
W. J. Lynch,
J. A. Culbreth.

Report of Committee on Public Morals

Viewing the encroachment upon the Church of all manner of evil practices and recognizing our responsibility as Christian citizens, we call upon our people as a Pentecostal Holiness Church to declare with humble boldness their position with respect to righteous action and opposition to the wide-spread iniquity, and to this end your committee humbly submits these recommendations:

1. We would re-affirm our position to the liquor traffic and all its accompanying evils, and urge the importance of instruction and education in temperance, calling upon our people to vigorously wage a relentless warfare against the manufacture, sale and use of intoxicating beverages in all forms, at the same time giving support to those in public office who stand for temperance, sobriety and law enforcement.

2. That in our homes we set standards of conduct as becometh Holiness, creating an atmosphere which will promote such standards particularly in the display of pictures and adornment.

3. We would direct attention of our ministers to the importance of pastoral visits and ask that they counsel with their members the vital place of the family altar, wholesome reading matter, and development of respect for the service of the church.

4. We give our voice of protest to the rising number of divorces and call on our ministers not to condone the divorce evil, but rather to give strong denunciation to the lightness with which so

many consider the sacredness of matrimony, the sanctity of the home.

5. We give voice of opposition to the desecration of the Sabbath and other Holy institutions, and call upon our people to set examples of respect for the Day of Rest and Worship and the church. In some countries churches have been closed by legislation and force, but the spirit of indifference and disrespect for righteousness have wrought great havoc in the church in America.

6. We urge that in our Sunday Schools and P. Y. P. S. the leaders give instruction to those of tender years in teaching the harmfulness to physical, mental and spiritual faculties through indulgence in the tobacco habit.

As Christian citizens, we pledge anew our allegiance to our church and also to American institutions not inconsistent with our conviction and scruples.

Respectfully submitted,

J. G. Spivey,
M. H. Alexander,
V. W. Callahan.
